15th April 2010

Dear Parent/Carers

As a school, Norwood is constantly trying to win an endless battle against head lice. We realise that infections can take place at any public venue, but we have recently had several parents advising us that they are constantly having to treat their child's hair.

As a result, we would like to arrange a Head Lice Day. We propose to hold this day on Friday 30th April. On this day may we ask all parent/carers to treat pupil's hair, regardless of whether or not they have any signs of head lice. You may or may not be aware that you are able to obtain head lice treatment for free if you register with the Pharmacy First Scheme. Information can be obtained at your local Pharmacy or by typing "Pharmacy First Scheme Peterborough" in a search engine on your computer.

We hope that by staging this day we will halt the endless cycle of head lice being transferred from one pupil to another.

If any parent has any concerns about this proposal please do not hesitate to contact the school, where we will be happy to answer any of your queries.

Thank you in anticipation.

Yours sincerely

Mrs D Reynolds
Head Teacher.
