Dear Parents/Carers

Please can I take this opportunity to thank all of the parents and carers who have been so incredibly supportive of school in what has been a difficult time for our children and adults alike. Your kind comments and supportive words have meant a great deal to us all.

We hope that there will be a positive start to our next half term where we can begin to celebrate and draw positives from the tragic events of the summer.

As a school we feel that a respectable period of time has passed and that it is now appropriate to look towards the future and create a Norwood School Memorial for Mr Warn.

For this memorial we want to draw together the things that Mr Warn was passionate about and create a fitting tribute that will have longevity for the children of our school to experience for years to come. Those of you who knew Mr Warn will realise that sport, children and the great outdoors played a huge part in his life.

Children have been asked to think about some of the things that they feel they would appreciate and benefit from.

If you have any ideas or suggestions we would love you to share these with us.

We will gather the ideas and through consultation with the children, staff, governors and other interested parties plan our approach to developing a space/event/tribute.

Again, thank you for your support and understanding.

Yours faithfully

Mrs D Reynolds
