Dear Parent/ carers,

You may remember recently that we held an election for a new Parent Governor. There were two interested parents and the resulting vote elected Mrs Annie Gill by 38 to 35 votes.

Within a few days of this election Mrs Caroline Rickards resigned from her post as Parent Governor creating a new vacancy. The organisation of parent governor elections denote that in such situations the new vacancy can be offered to a previously unsuccessful candidate providing the timescale is short and there were no other interested parties.

This being the case we are pleased to also welcome Mrs Heather Jolley onto our Governing Body. Heather has narrowly missed out on two occasions, receiving a large proportion of the votes both times, and we are pleased she is still keen to become a governor.

This brings our Governing Body up to the full capacity of 12, however, if anybody is ever interested in joining the Governing Body please contact any governor via the school office for more details. We are often also looking for members who are not parents, if you know of anyone else who could offer the school the time and commitment required then please approach one of us.

Yours sincerely

The Governing Body of Norwood Primary School
