Thank you for attending our open evening and taking the opportunity to look at your child's learning and for discussing with the class teacher your child's development. I hope the experience has been a positive one.

This form is intended for your comments about your child's learning and general progress this year so far as well as giving the opportunity to feedback suggestions for improvement.

We would ask you therefore to comment below on how you feel your child has settled in their new class and how he/she is progressing, both from the evidence of learning you have seen and from your child's general involvement in school activities. For example, comments regarding presentation, neatness of handwriting, content of work including drawings, your child's understanding of work completed etc., would be helpful to us and to your child.
