25<sup>th</sup> February 2010

Dear Parent/Carers

Please be aware that there is a severe sickness and diarrhoea bug making its way around the school at the moment.

Should your child show any signs of developing this illness we would advise you to keep them at home.

If your child has had any sickness or diarrhoea, please ensure that children are clear of symptoms for a full **48 hours** before returning to school. This is in line with our school policy and Health Protection Agency guidelines.

As a school we will continue to educate children in the importance of personal hygiene to stop the spread of germs and request that this is a message that is reinforced at home.

Norwood School has discussed this outbreak with the relevant bodies such as the school nursing team and the Health Protection Agency. Please find attached an information sheet provided by the Health Protection Agency in conjunction with the Cambridgeshire and Peterborough Health Protection team.

We will continue to monitor the situation and work in partnership with you to ensure that we combat this virus.

Thank you in anticipation.

Yours sincerely

Mrs D Reynolds  
Head Teacher
