

Dear

Norwood School Gardening Club

Congratulations! Because of your parent/carers commitment, you are able to take part in the Norwood School Gardening Club!

Our first day will be on **Monday 2<sup>nd</sup> March at 3.15pm**. Please ensure that you have suitable clothing for the session i.e. Wellington boots and an old shirt or apron for when we will be working outdoors and warm clothing. We will meet in Year 2 classroom.

Parents/carers

As you know spaces were very limited but due to your commitment your child is more than welcome to attend.

**Please Note: You must remain with your child throughout the session.**

If you are not in attendance at any time whilst your child is in the Club then we will have to contact you to collect your child immediately. Due to health & safety and Child:Adult ratio we would not be responsible for your child.

We look forward to helping your child create a garden to be proud of and benefit from the experience!

Thank you!
