Dear Parents/Carers

As part of our integrated curriculum theme, we have been studying how people with vision and hearing impairments go about their day to day lives

We have the chance to receive a visit from a working guide dog tomorrow afternoon, Tuesday 6th October. We apologise for the short notice of this visit but a fortunate opportunity has arisen that we feel the children would benefit from.

If your child is allergic to pet hair and you would rather they did not take part in the session please would you let us know either in writing or a telephone call to the office so a message can be passed on to the class teacher.

Yours Sincerely

Miss Tilson
