Dear Parents/ Carers,

In 2007, Norwood Primary School successfully achieved the Inclusion Charter Mark. The Local Authority awards the Inclusion Charter Mark as recognition of high standards in inclusive practice in education. The award is given to schools that are successful in meeting the needs of all the different individuals in their school community. It also recognises good practice in working with parents, governors and the community.

We are currently preparing for our three year review. In order to do this, we are seeking the views of all of our school community to gain renewal of the Inclusion Charter Mark. During this half term, questionnaires will be passed out to all members of our school community in order to ascertain the views of how our school encourages and ensures inclusion for all.

We would be very grateful if you could take the time to read and complete the attached questionnaire and return it school by Friday 23rd October.

If you are receiving this letter via Parentmail, you may wish to cut and paste the tick symbol into the relevant box and email the completed questionnaire back to Parentmail via the email address below:

Please write 'Inclusion questionnaire' in the subject box to enable our office staff to organise the returning emails.

Many thanks for your time in supporting our school to ensure inclusion for all.

Yours sincerely,

Miss J. Swift

Mrs D. Reynolds
