

27th February 2009

NORWOOD SCHOOL NETBALL CLUB

Your child has expressed an interest in joining the Year 5/6 netball club which will resume again next week now that the weather has improved and the evenings are becoming lighter.

The sessions will take place on Tuesday evenings from 3.15-4.10 p.m beginning Tuesday 10th March. In the event of poor weather, the club will be held in doors.

Please ensure your child has the correct kit for the session, i.e outdoor or indoor PE kit with trainers and long hair tied back, girls will also need to remove earrings.

If you are willing for your child to take part, then please return the slip by Friday 6th March indicating how they will be returning home after the club and a contact number. I'm afraid your child will not be able to stay to the initial session unless a permission slip has been returned.

Once your child has been allocated a place at the club, there is an expectation that they will attend every week. If your child cannot attend for any reason, then an explanatory note will need to be sent into school if they wish to have their place in the club retained. During the Spring and Summer terms, I will be selecting children to play in a school team at tournaments and matches, the basis of this will be skill level and the child's club attendance record, so it is important that they try to attend each session if possible.

Thank you,

D. Jordan
